

ICKE 2021

Okayama University, Japan
March 27-29, 2021

2021 7th International Conference on Knowledge Engineering (ICKE 2021)

2021 7th International Conference on Knowledge Engineering (ICKE 2021) will be held during **March 27-29, 2021** in **Okayama University, Japan**, ICKE 2021 is technical sponsorship of **Okayama University, Japan**.

The aim of ICKE 2021 is to present the latest research and results of scientists (preferred students, PhD Students, and post-doc scientist) related to Knowledge Engineering topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.

Call for Papers

AI programming; Applications and case-studies; Context Analysis and Modeling; Domain Analysis and Modeling; Decision Support Systems; Human-Machine Cooperation; Intelligent Problem Solving; Knowledge Acquisition; Knowledge Representation; Knowledge Reengineering; Natural Language Processing; Ontologies; Ontology Matching and Alignment; Process Knowledge and Semantic Services; Semantic Web; etc. More topics, please visit: <http://www.icke.org/CFP.htm>

Publication

Peer reviewed and presented papers for ICKE 2021 will be recommended to publish in the "Special Issue of **International Journal of Knowledge Engineering**" (ISSN: 2382-6185) Indexed by: Google Scholar, Crossref, ProQuest.

Submission

- Online Electronic Submission System: <http://confsys.iconf.org/submission/icke2021>
- Email: ickeconf@126.com

Important Dates

- Submission deadline: **November 20, 2020**
- Notification date: **December 10, 2020**
- Registration Deadline: **December 25, 2020**
